I do not think any necessity for the entertainment of a clerk exists, as does the Head Quarter Taluk other District given on extra Rate)

The proper course is to prepare an estimate for the repairs of roads, drains &c and after approval given out on contract

Some money should be sanctioned for the deportation the monkeys that are left caught. Immediate arrangements are needed as their number daily increasing.

The present sanctioned rate of 0-11-6 per lamp does not ensure proper lighting Board submit that the rate be increased to Rs. 0-12-0.

The entertainment of a Municipal Clerk for the Municipal work in the Taluk Cutchery is found to be necessary

The construction of new roads and drains are needed and repairs to existing ones may with advantage be given out on contract to some respectable persons who would agree to be responsible for proper maintenance at the end of the Official Year. The work to be done by him will be specified before hand

The Town has been divided into blocks and sanctioned to the Municipal Commissioners

The Board are to keep up this arrangement for

The Board are of opinion
that the destruction of Municipal
lamps which is of late becoming
very frequent is due more to
mischief than to accident. Lamps
falling off the posts is of course
due to other high winds combined
with the Contractors careless fixing.
When a Chimney goes off into
pieces on account of excessive
heat, the flames of the lanterns
in which the lamps are placed
must also break when the
pieces of the Chimney dash
against them, but when only
one of the four glasses of
a lantern breaks it looks rather
suspicious.

The Board request that
the Superintendent of Police
be addressed on this point.

The present lighting —

Before Abdul Khader is given the contract for the year all the Camps should be examined and such of them as may require repairs should be properly repaired.

Regarding the deportation of monkeys the Board fix a limit of "-8-" per monkey.

The Board request the Amildar to prepare an estimate.

The Board again beg permission to bring to the notice of the President the necessity for a Municipal Clerk in the Taluk. It would appear that the Shreerungpatam Taluk has a Clerk for Municipal work exclusively. The Board pray that a clerk may be given to the Head Quarter Taluq.
